<b>2022 ENROLMENTS - Please contact the school to book in a school tour with our Principal and Assistant Principal</b>	

Dear Reservoir Views students, families and local community members,

It has been just wonderful having seen all classes spend part of this week learning on-site and it will be even better when all students return for full-time on-site learning on Wednesday the 3rd of November.

With the new changes coming at 6pm tomorrow night, there will be significant changes to guidelines/procedures at Reservoir Views.

## **ENTRY TO SCHOOL GROUNDS**

Commencing on Wednesday the 3rd of November, parents, guardians and caregivers are **now** allowed to enter school grounds for drop off and pick up. Access to school buildings is still restricted unless you are visiting the main office.

You are not required to check in using the QR code unless you are visiting the office.

We will be opening all school gates at 8:30am each morning for entry for students who are supervised by an adult.

I would like to remind everyone that there is no staff supervision before 8:45am within school grounds, please access the Out of School Hours Service if required.

All gates will be opened at 3:15pm each day.

Can I please ask everyone to practice safe physical distancing during these times.

## FACE MASKS

School staff are now not required to wear face masks outdoors. Students in years 3 and above are still required to wear face masks indoors and the Chief Health Officer recommends students in years prep to grade 2 to wear face masks indoors while at school.

## SCHOOL TOURS / KINDERGARTEN TO PREP TRANSITION / GRADE 6 GRADUATION / STATEWIDE YEAR 6 to 7 TRANSITION DAY

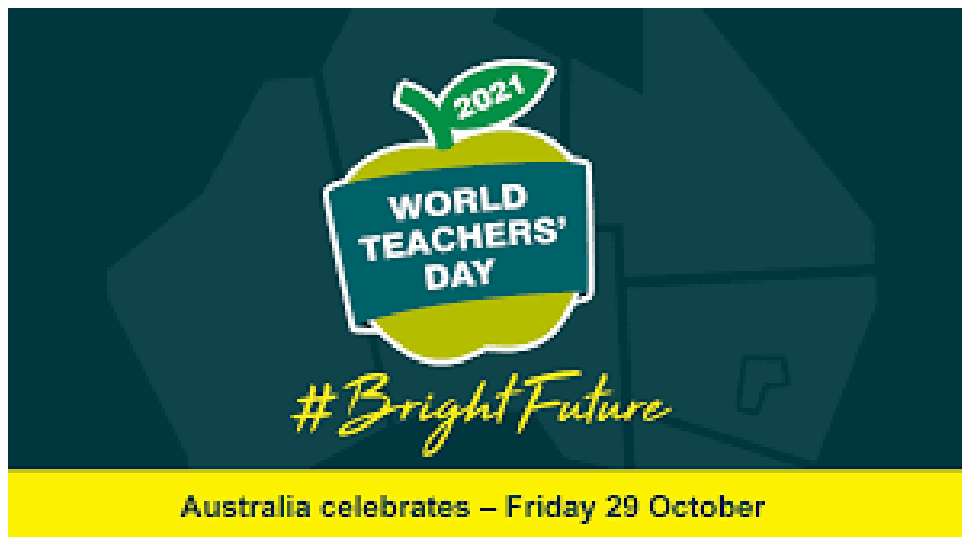

School tours can now recommence, our kindergarten to prep orientation program can now take place on-site and we can now plan for a special grade 6 graduation celebration. The statewide year 6 to 7 transition day scheduled for Tuesday the 7th of December can now take place as planned.

## INCURSIONS / EXCURSIONS

Teachers can now look at booking excursions/incursions as these are now allowed.

## WORLD TEACHERS' DAY - Tomorrow!!

Tomorrow is World Teachers' Day. I would like to thank all teachers for the incredible work they do and especially thank our teachers here at Reservoir Views Primary School, you are amazing! Thank you!

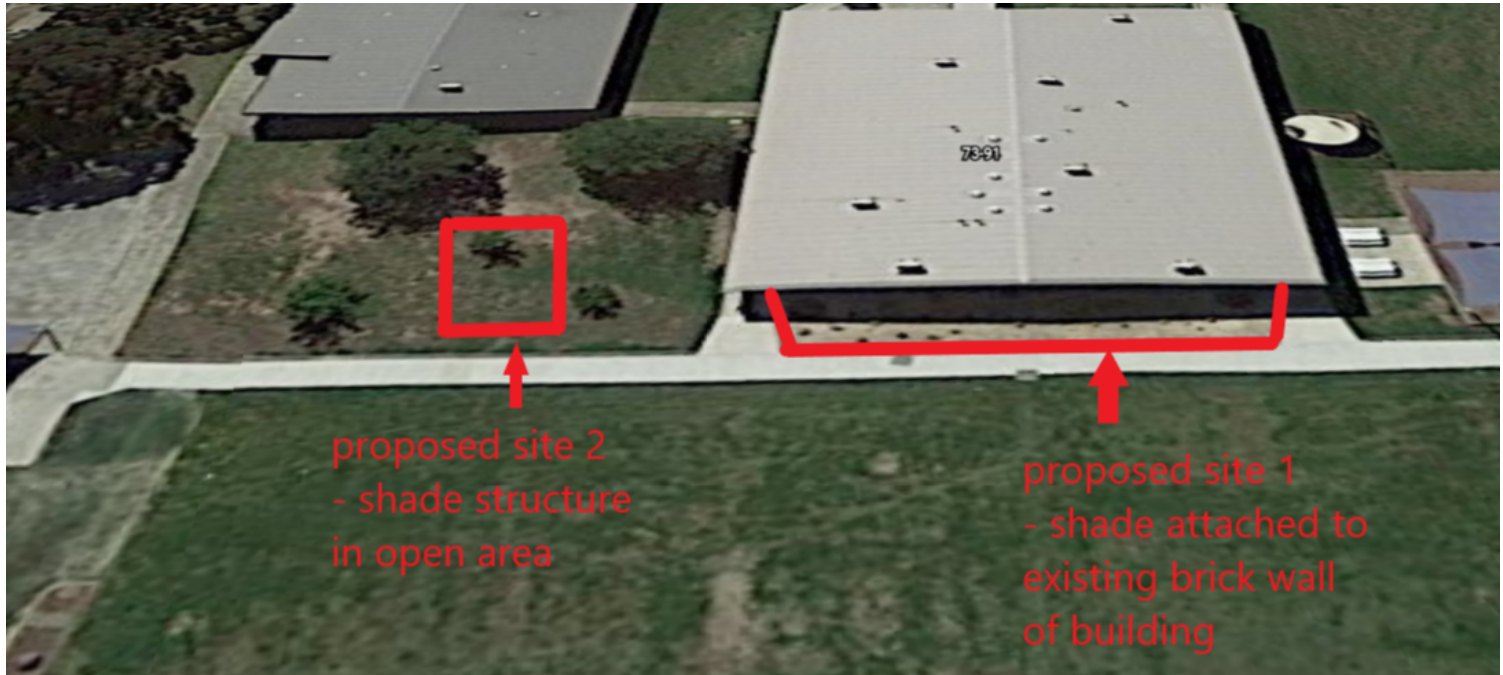

## NEW SHADE SAILS

New shade sails have been installed over our playground closest to St Vigeons Rd. They look fantastic.

## OUTDOOR LEARNING SHADE SAIL GRANT

I successfully applied for a \$25,000 grant to create an outdoor shaded learning space. I have requested quotes from various companies to install the shade structures and there are two proposed spaces for this space.

My preferred space would be the 'rock garden' area to the west of building C. This space will be an outdoor learning area for all students to be able to access during class time and a space for students during play times. It would also mean removing the 'rock garden' and installing outdoor seating and tables.

## DRINK BOTTLES

A reminder for all students to please bring their drink bottles to school.

## HATS AND SUNSCREEN

It is Term 4 and the UV levels are already quite high. All students need to bring their 'sunsmart' hats back to school. I also encourage students to apply sunscreen prior to arriving at school and have their own small sized bottle/tube of sunscreen to reapply prior to break times.

## CANTEEN

The school canteen has resumed each Monday, Wednesday and Friday.

## FOUNDATION ORIENTATION PROGRAM

After holding our first session online yesterday, I am relieved that our remaining four sessions over the coming four weeks can and will take place on-site at school. The sessions will run from 9:10am to 10:50am and while the children are participating in the classroom program, we will be running an information session for families.

## NO SCHOOL THIS MONDAY AND TUESDAY

Another quick reminder that we will be closed this Monday and Tuesday. I hope that all of our community have a very relaxing and enjoyable long weekend and I can't wait to see everyone on Wednesday morning.

Warm regards,

Steve Stafford  
Principal.

**CAMERON CRICKET CLUB**

***JUNIOR CRICKET! IT STARTS HERE.***  
**WE ARE STARTING UP JUNIOR  
TEAMS FOR AGES 9 - 17.**

It's time to  
celebrate,  
we're back!

Your  
OSHC.

## *A message from your Coordinator Nebal*

We have been slowly getting back into the routine of all things OSHC. This week we practiced the Emergency evacuation drills, which went very well. This week theme is Welcome back as grades 3 / 4 are back to school. As you may be aware we are increasing our hygiene vigilance and asking children to wash their hands more thoroughly and regularly and practising safe distancing as best we can. Did you know that there is a suggestion box in the welcome desk area that you can put your feedback in? We would really like to know what you think about OSHC—positive and negative feedback appreciated.

OSHC will be closed on Monday 2/11 and Tuesday 3/11

## *Activities coming*

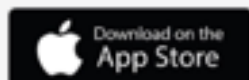

- Hula Hoop Hop  
(Ruby's Idea)
- Water Balloon Passage  
(Chelsea's Idea)
- Bucket Run

## *What's on the*

- Apple crumble
- Fruit kebab
- Fruit smoothie

## **It's free to register**

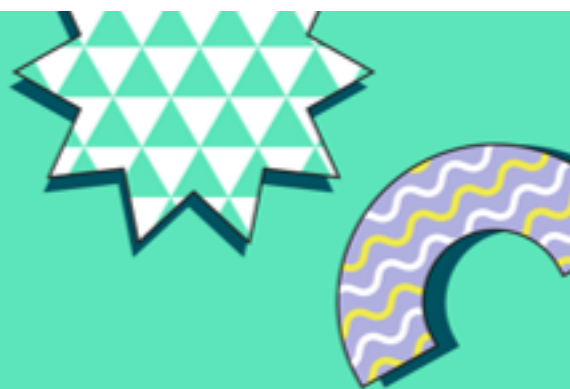

To attend our program, you must register your child. You can register an account with us at [pp.campastralia.com.au](http://pp.campastralia.com.au) or by downloading our Camp Australia smartphone app from the Apple App Store or on Google Play. Once registered, it's easy to make bookings and manage your account.

## *Visit our blog*

*New articles are added each week for parents and cover various topics*

**It's time to  
celebrate,  
we're back!**

**Your  
OSHC.**

### *A message from your Coordinator Nebal*

We look forward to welcoming our Prep/1/2 students back on a part time albeit basis this week. It has been a long time since we have had the pleasure of their company and to say we are happy to have them back.

Sun Smart: Children will be required to wear a hat this term, so please ensure that children have their hats with them.

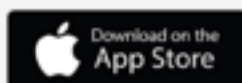

This week theme is Rainbow upon Ruby request. Our programs offer daily plan of activities that are play-based, child centered and inclusive experience.

Last week Children enjoyed making Magic Sands and that was Chelsea's Idea. Also we continued raising awareness on children's mental health and wellbeing and this week activity is Mindful Breathing activity .

This week children will enjoy Rainbow Volcano Science Experiment and 3D Paper Rainbow Craft.
