<i>Candice Vanzin - Italian</i>	<i>Lana A</i>
<i>Steve Stafford - Principal</i>	<i>Graham C</i>

Dear Reservoir Views students, families and local community members,

Earlier this week I received the wonderful news that Reservoir Views Primary School was successful in applying for the 2019 / 2020 *Octopus School Program* funding through Darebin City Council.

The program aims to create a safe school precinct that encourages students and families to choose active modes of transport such as walking, cycling and scooting.

As the selected school for this year's program, we will receive over \$150,000 investment in the school precinct, which includes up to \$50,000 to support active travel programs guided by Council in the 2019/20 financial year. This is a great opportunity for our school and community.

I'd like to thank Drew and Candice for helping write the application. We will be meeting with representatives from Darebin City Council next week to plan for 2020. The *Octopus School Program* was piloted in 2017/18 with Reservoir West Primary School the first Octopus School. Newlands Primary School was selected as the second Octopus School for 2018/19. We are thrilled to be the third Octopus School within the City of Darebin!

SUPERVISED SCHOOL CROSSING AREAS.

I have felt a great sense of sadness following the tragic incident that happened in Epping earlier this week. It really reinforces the need to be incredibly conscious anywhere around motor vehicles.

We are very fortunate at Reservoir Views to have two very competent school crossing supervisors at our two signed and supervised crossing areas on Hickford St and St Vigeons Rd during peak drop off and pick up times. Safety for our children/students and ourselves has to be priority when crossing these roads. I have been alarmed at the number of parents ignoring these crossings and choosing to cross both of these roads with their children. At worse, it may add another two minutes to your trip home by using the supervised crossing areas, to help our students stay safe and learn road safety skills, please use them.

2020 FOUNDATION ORIENTATION SESSION.

I would like to thank all of our 2020 Foundation families and student for attending our first orientation session today. It was lovely to finally meet all of the students and families together and commence their journey at Reservoir Views. This program will continue for the next 5 weeks, each Thursday from 9:15am to 10:45am.

FUNDRAISING NAME PAVERS.

At Reservoir Views Primary School we value :

SENSORY PLAY SPACE.

With construction of the Sensory Play Space to start on the 11th of November, I thought I'd remind everyone of what we have to look forward to. I can't wait!

Warm regards,

Steve Stafford
Principal.

PLASTIC BOTTLE TOPS

We have been asked to assist in the collection of all plastic bottle tops which will be used to make artificial limbs. If you would like to help please bring the bottle tops to the office.

Thank you

NAME PAVER

AN OPPORTUNITY TO BE A PART OF OUR VISUAL HISTORY AT RESERVOIR VIEWS PRIMARY SCHOOL

Reservoir Views Primary School

We are fundraising to resurface our sports oval and to purchase and install a wood fired pizza oven to use for school community events.

SINGLE NAME PAVER: \$50

Your donation of \$50 entitles you to have your name engraved into a paver as a lasting record of your valued support. The paver will be permanently installed:

Along the main entry path to the school

Size: 230 x 115 x 40mm

ENGRAVING DETAILS

Please print clearly in block letters. Each box represents a character (letter, number, punctuation mark or space). Max 16 characters per line, three lines per paver. (No hand drawings.)

A big thank you to Paul Hubbard who repaired the netball post and made a new steel rod for our computer trolley! Once again he has been able to offer up his skills with metal work to help make our school even better. The netballers love having their netball ring back and the computers can be locked away safely each night.

We are taking part
in the pumpkin
party challenge!

Schools across
Australia are growing
pumpkins.

Who will grow
the biggest
pumpkin??
