

The Reservoir VIEW

Thursday 2nd of September

Reservoir Views Primary School acknowledges the Wurundjeri people of the Kulin nation as the traditional custodians of the lands where we live, learn, work and play.

Important Dates - Term 3, 2021

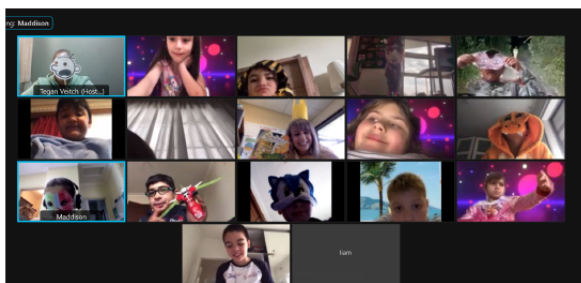

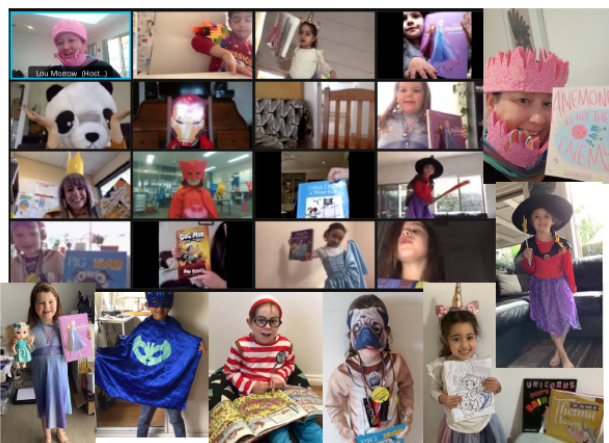

Sunday 5th September	Father's Day / Special Person's Day
Friday 17th September	Last day of Term - 2:30pm Finish
2022 ENROLMENTS - Please contact the school to book in a school tour with our Principal and Assistant Principal	

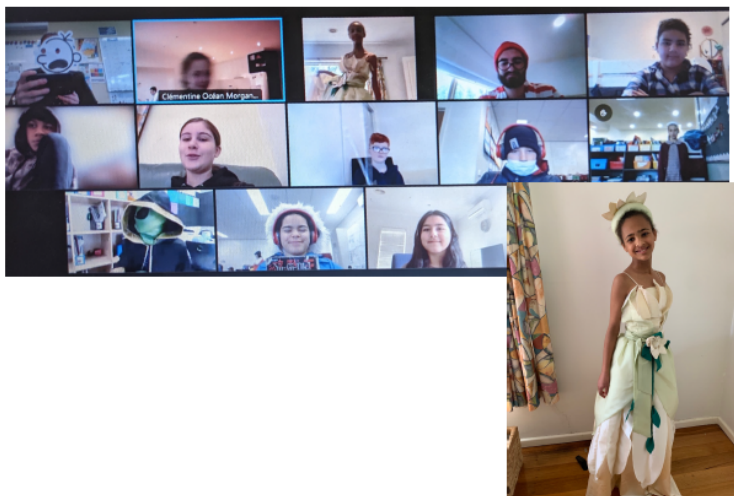

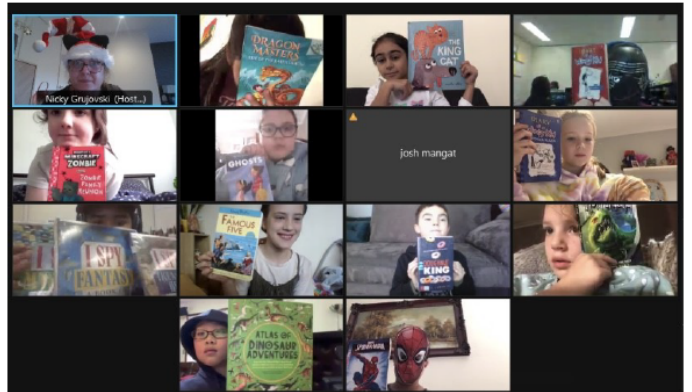

Dear Reservoir Views students, families and local community members,

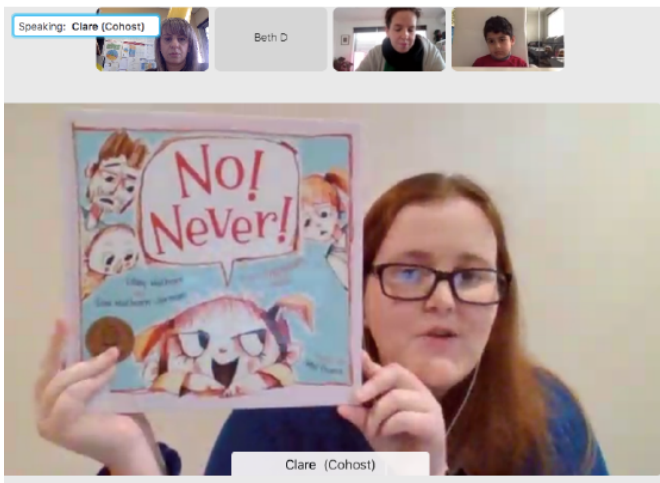

While yesterday's news that remote and flexible learning will be continuing for the remainder of this term is deflating and we all want staff and students to return to on-site learning when it is deemed safe to do so, I am relieved that we now know what the schooling situation is for the next two and half weeks. The uncertainty of whether we will be back or not is not ideal. The achievements of our students over the past 7 weeks of remote learning have been amazing. It has been wonderful to see students engaged with science week and book week activities and staying connected to their peers and teachers through regular Webex meetings and conferences. Our Foundation students have also celebrated their 100th day of school, a significant milestone - we look forward to celebrating this again in style when we return to school.

BOOK WEEK

Below are some screenshots of us celebrating book week.

GUESS THE TEACHER AND BOOK ACTIVITY

Thank you to all of the staff for taking part in these activities. Here are the answers

GUESS THE STAFF MEMBER!

Here are the answers :)

2022 FOUNDATION INFORMATION EVENING AND ORIENTATION SESSIONS

Thank you to all of our 2022 Foundation students and families who attended last night's online information session. I am very hopeful that our orientation sessions can take place here on-site.

Our 6-week orientation program will take place over 6 consecutive weeks starting on the 20th of October and finishing on the 24th of November.

The dates are below:

- Wednesday October 20th - 9.10am - 10.50am
- Wednesday October 27th - 9.10am - 10.50am
- Wednesday November 3rd - 9.10am - 10.50am
- Wednesday November 10th - 9.10am - 10.50am
- Wednesday November 17th - 9.10am - 10.50am
- Wednesday November 24th - 9.10am - 10.50am

While the children are involved in the classroom activities, there will be parent information sessions in the staff room.

ACCESSIBILITY RAMP

One fantastic new addition to our school buildings and grounds is a permanent accessibility ramp to our new portable. All of our school buildings are now accessible for everyone.

SCHOOL DISCO

Our school disco has been rescheduled to a date in term 4.

Warm regards,

Steve Stafford
Principal.

Councillor's Corner

Two councillors are profiled in this newsletter, Katia Rotar and Liz Meade.

Councillor Profile: Katia Rotar

Hi Reservoir Views families! I'm Katia Rotar and I'm happy to be a member of our School Council and part of the school's Community Committee. My daughter Lumina is in grade 6 (and my little one Nousha, while only 4 now, is looking forward to coming to Reservoir Views! As is our third little one, on the way - he just doesn't know it yet!).

I enjoy being part of this school community and working to ensure fellow parents and carers also feel a part of our warm and diverse community. I have worked for many years in international aid and development. More recently, I am now working with local community groups on sustainability and climate action. To me, an essential dimension of providing for our children's wellbeing and future opportunities is to address the climate emergency that we are currently living and the impact this will have on our children's lives.

I am enthusiastically working with fellow parents and carers in our community of Reservoir and Darebin to do what we can to ensure a safe climate future for our children. I'd love to hear from you if you're keen to

discuss this and how we as Reservoir Views community can work together on this - or any other ideas for our brilliant school! Feel free to get in touch: rotar.katia@gmail.com or 0432 479 603

Thanks and I look forward to chatting with you!

Councillor Profile: Liz Meade

Hi everyone! My name is Liz Meade and I'm one of the School Council parent representatives. My son James started at RVPS in Prep/Foundation and is now in Grade 5. Our family have lived in Reservoir for almost 10 years and we love it! We have two cats Polly and Jude who run our household and I have a growing obsession with indoor plants!

I work in local government in the field of health planning – more specifically my work focuses on preventing family violence and improving gender equality in the local community. I wanted to join the School Council to contribute to the school community because I am passionate about fairness and equality and facilitating a community voice.

Please stop me for a chat if you see me out and about at school and would like to raise anything.
