Dear Reservoir Views students, families and local community members,

Welcome back! I hope that everyone had a relaxing two week break (if you were able to have one) and all of our students and staff have recharged the batteries for a big final school term of 2019.

Term 4 is always an exciting and busy term, as we finish off the 2019 school year and prepare for 2020 where our students will transition into new year levels, classes and for our Year 6 students - new schools! I know there are already lots of exciting teaching and learning activities happening and planned for the term.

NEW FLEXIBLE LEARNING SPACES IN BUILDING B

Over the holidays the new flexible learning spaces within Building B were completed. They have made an immediate impact. We now have the option of having three distinct classroom spaces as well as being able to open up the space for collaborative work.

CANTEEN

A reminder to all of our families that due to our changed eating times at school, all canteen orders need to be placed on the QKR app by midnight the night before or placed in the lunch order tubs at the canteen by 9:00am each day.

The canteen will be open for counter sales at lunchtime on Monday, Wednesday and Friday.

If you are able to volunteer your time in the canteen on Monday, Wednesday or Friday mornings, please see Lesley.

SENSORY PLAY SPACE.

This morning Hayriye and I met with the architect and the construction company who won the tender to construct our Sensory Play Space. I know it has been a long time since the announcement our Inclusive School's Fund application was successful for this project, but we finally have dates when construction will begin. Work will commence on the 11th of November and are expected to continue until the 20th of December.

PARENTS AND CARERS OF STUDENTS ATTENDING RESERVOIR VIEWS PRIMARY SCHOOL FACEBOOK SITE.

One of our parents, Yvette, has created a closed Facebook site for parents and carers of students who attend Reservoir Views Primary School. The group is titled, **RVPS Parent/Carer Group**, and is another means of communicating school information with parents/carers and for parents/carers to connect within our school community.

2020 FOUNDATION ORIENTATION SESSIONS.

We are very excited to start getting to know our 2020 Foundation students and families at Reservoir Views.

Our six week 2020 Foundation orientation sessions start next Thursday the 17th of October. We will be running 6 consecutive weekly sessions each Thursday from 9:10 to 10:45am.

MELBOURNE ZOO EXCURSION.

Next Friday our Foundation and 1/2 students and teacher are visiting the Melbourne Zoo where they will be undertaking an education session. I am aware that many families, like my wife and I, have purchased annual Zoo memberships for their children. Unfortunately being a Zoo member does not decrease the cost of entry to the Zoo when they attend with a school group.

HATS, HATS AND HATS!

A reminder to everyone that it is compulsory for all students to wear hats when outside in the schoolyard or when they are on excursions.

FUNDRAISING NAME PAVERS.

There is still an opportunity for families to purchase their own name paver that will be paved along the entrance path to the main office. Forms are available at the office. The closing date is the 1st of November.

Warm regards,

Steve Stafford
Principal.

Coordinator Update

Dear Families,

We would like to thank you for your patience, while we recruited for the right person to lead the team at Reservoir Views Primary School.

We are very excited to advise that Nebal will be stepping up from the assistant position, to the Coordinator position.

Nebal has been working at the program for a while now, so she is very familiar with the children and the families who utilise the service.

This is a very exciting time for Nebal and we would like to use this opportunity to congratulate her on her new position.

Nebal is excited to implement some new activities and games in the program.

Kindest Regards,
Laura Monty
Key Account Manager
