Dear Parent and carers,

Wow, what a fabulous term it has been. And it has flown past so quickly. Some of the highlights include the Meet, Greet and Eat, Harmony Day, Whole School Athletics Day, coming 3rd in the District Athletics, the Year 4/5/6 Camp at Waratah Bay and the introduction of school houses.

This week teachers have been busy planning exciting Term 2 learning engagements for our students. Our focus for the year is improving student outcomes in Writing. We have experienced great success with student outcomes in Reading and Mathematics, which has been our focus over the last 2 years. We will be conducting a whole school professional development on the first Friday of Term 2. Students will only be required on **Tuesday 23rd and Wednesday 24th** of this week.

We look forward to sharing what we have learned.

We hope that you all have a restful and safe break; making the most of spending time with your family. We look forward to seeing your smiling faces back here in couple of weeks' time.

Warmest regards

Lynne Kemp
Acting Principal

Improvements to inclusive education resources

Important information for parents of children with disability and additional needs now easier to find

For the first time, inclusive education resources for parents are in one easy-to-find place on the Department website, and the information is accessible for people with disability and additional needs.

This includes information about:

- the diverse services and supports available for children and young people with disability and additional needs
- rights and responsibilities for parents and schools
- how parents and carers can support their child's education at home.

To access the information and resources, see: [Practical information for Victorian parents and carers](#).

Uniform

Please remember to clearly label student uniform items, so that it is easily identified, if it ends up in lost property.

Thank you
