

The Reservoir VIEW

Thursday 26th October

Reservoir Views Primary School acknowledges the Wurundjeri people of the Kulin nation as the traditional custodians of the lands where we live, learn, work and play.

Important Dates - Term 4, 2023

16th - 27th October	Mural Painting with Uncle Brendan
6th November	Pupil free day - reporting and assessment
7th November	Melbourne Cup day - public holiday
17th November 2.45pm	Colour Explosion Fun Run
5th December	Grade 6 Graduation
14th December	IEP meetings 3:35pm to 7pm
15th December	IEP meetings 9-2pm - Pupil Free Day
19th December	Last Day for Students - 3.30pm finish
20th December	Pupil free day

Reservoir Views Primary School is committed to creating and maintaining a child safe and child-friendly organisation, where children and young people are safe and feel safe.

Dear Reservoir Views students, families and local community members,

The past two weeks have continued to be exciting and busy at Reservoir Views.

I would like to acknowledge and thank everyone who contributed to our referendum BBQ fundraiser on Saturday the 14th of October. From donating money, putting bread in napkins, collecting ice, donating onions and vegan burgers, baking a slice or sweet treat, cutting up sausages to place in bags, volunteering your time on the day to run the stall to coming along and buying a snag on Saturday to show your support – thank you!

I would also like to thank and acknowledge everyone who has volunteered their time to support Uncle Brendan in painting our amazing school mural. Less than two weeks ago this space was a very large and plain brick wall and now it is a very large masterpiece that is fit for a museum. To watch the progress of this project has been incredibly satisfying.

Our whole school swimming program also concluded this week. Over 70 people have provided feedback on the program through the online survey, which is fantastic. This feedback will assist us in developing our approach to school swimming programs in 2024

VALUE AWARD WINNERS

2024 FOUNDATION ORIENTATION DATES.

Today we held our second session and there are four more sessions remaining.

Dates:

Session 3	9:00 – 10:30am	Thursday 2 nd November
Session 4	9:00 – 10:30am	Thursday 9 th November
Session 5	9:00 – 10:30am	Thursday 16 th November
Session 6	9:00 – 10:30am	Thursday 23 rd November

The parent/caregiver/guardian and child sessions occur at the same time.

PLEASE LET THE OFFICE KNOW IF YOUR CHILD/CHILDREN WILL NOT BE ATTENDING RESERVOIR VIEWS NEXT YEAR

If your child/children will not be attending Reservoir Views in 2024 and we have not been notified, can you please contact the office and let us know. Thank you.

Warm regards,

Steve Stafford
Principal.

Reservoir Views PS is hosting a Colour Explosion School Fun Run fundraiser! All money raised will go towards our new Indigenous mural and school ground work.

The Colour Explosion School Fun Run will be on 17th of November at 2.45pm

Not only are we hosting an awesome explosion event, students can win up to 15 awesome automated incentive prizes by fundraising via online sponsorship donations.

Students have received a sponsorship book with instructions on setting up their cybersafe, online fundraising profile at www.australianfundraising.com.au. This is an entirely online fundraiser; all cash donations must be converted to online donations to redeem your prizes.

This year if we raise \$10,000, we slime Steve!

Extra Incentives to Fundraise!

- Online Golden Coins – complete fun online tasks to redeem an extra \$75 towards your prize credit.
- Monty the Monstar's Bonus Prizes – achieve milestones to unlock Monty's bonus prizes.
- \$10,000 JB HI FI Spending Spree for one organisation's highest fundraising student – it could be you!
- Our school will win an extra \$5,000 if we have the highest average fundraised amount per student in 2023.
- A Play Station 5 Gaming Bundle – see your child's sponsorship booklet for more!

Foundation News

Our week!

Foundation students have had a busy fortnight. The swimming program has come to an end and it has been great to see just how much the students have grown in confidence and water safety. In Inquiry we have been exploring the properties of different materials. In Numeracy students are learning about place value of two digit numbers.

Numeracy

Foundation students have been learning all about 2 digit numbers. They are learning to read and make 2 digit numbers using MAB, unifix and place value columns. We have been practising counting to 100 and adding numbers up to 20.

Inquiry

This term we have been exploring the properties of different materials. This week we experimented with magnets to discover which materials are magnetic.

1/2 News

This Fortnight In 1/2

It has been another busy fortnight in 1/2! Not only did we finish swimming where we all learnt a lot! But we were also fortunate enough to hear some special storytelling and participate in some painting with Brendan Kennedy, our wonderful mural artist. It was a wonderful experience where we learnt a lot about the stories that are in his amazing paintings. Thank you too to Cyrus's mum Shantelle for sharing some cultural story telling with 1/2B. They learnt about the Sioux Native American People, some famous Sioux chiefs and the clever way Bison were hunted. We appreciate you sharing a piece of your family's history with us.

Reminders

- It's term 4 and that means we need a hat to play outside. Please make sure your child has a hat so they can enjoy their play time.
- The Inquiry incursion permission form is now active on Compass and is due back on Friday the 3rd of November.
- Please help your child to read every night and complete their homework by Friday.

2/3/4 AREA NEWSLETTER

MATHS

Our grade 2/3/4 students have been learning how to estimate and weigh objects correctly. Working in partners we have estimated and weighed objects such as sand, sticks, rocks and even chips!

INQUIRY

Over the past few weeks we have been investigating solids, liquids and gasses. We have conducted experiments to find out how a solid such as chocolate can turn into a liquid.

SWIMMING

We completed our swimming program on Tuesday this week. All swimmers have made fantastic progress. To finish off we learnt some water safety skills.

5/6B - MONIQUE GALPIN - MONIQUE.GALPIN@EDUCATION.VIC.GOV.AU

SCHOOL SWIMMING

These past 3 students from across the school have been participating in a swimming program. All together we have done 8 lessons and we have all enjoyed it a lot. We have learnt about the basic strokes, such as torpedo, freestyle and backstroke, and we have also learnt about water safety. It has been a great opportunity to learn how to be safe in the water as well as having fun.

RVPS MURAL

For the last 2 weeks, Uncle Brendon has been working together with students across the school, parents and our community to help create a Reservoir Views Primary mural. It has been a pleasure listening to Uncle Brendon tell a few stories from his life and culture. Storytelling helps us to connect with people and different cultures, to care for them and respect them. All students have enjoyed being involved and painting with Uncle Brendon.

TERM 4 INTER-SCHOOL SPORTS

For the past 3 weeks the 5/6 cohort has been busy with inter-school sport teams, playing against many different schools in our area. The sports for this term include Cricket, Kanga cricket, Bat tennis and Rounders. We are all learning and using new skills such as taking a step forward to hit the ball, bowling/ throwing, batting and fielding. All of our teams are doing very well and everyone is trying their best each and every week. Let's see how each team goes for the next few weeks. GOOD LUCK 5/6s!
Written by William, Paige and Salma

Auslan

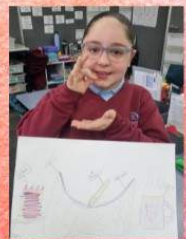

In Auslan we have been learning about our favourite sports.

This week we have been playing Auslan Bingo with sport signs

We have also been learning about Meal Times and drawing pictures of our favourite food.

Music

In **Foundation**, we are learning about the rhythms “ta” and “titi”.

In grades **1/2**, we are learning to play an ostinato during a song.

The **F-2 Choir** have been very busy making music! We will present a performance at assembly in **Week 9, Monday 27th November**.

Music

In grades 5/6, we have been practicing ukulele chords and bass lines.

In grades 2/3/4, we are learning to play our song Tideo on the xylophone, using dynamics to make the performance interesting.

Art This Week!

ACKNOWLEDGEMENT OF COUNTRY

We acknowledge the Wurundjeri People of the Kulin nation as the traditional custodians of the lands where we live, learn, work and play.

RESERVOIR VIEWS PRIMARY SCHOOL

NEWSLETTER – TERM 4, 2023

146426211EM – 1EM14 3053

26th October 2023

26th OCTOBER 2023

A Glimpse of Week 3 &4

Term-4, 2023

This fortnight, children have been super busy and excited to participating in wide variety of arts and crafts focusing on our weekly themes "Accessories Arts" and "Children's Week". It is an opportunity for children to express their opinions, concerns, and aspirations, empowering them to have a voice in their community. Arts and crafts involving accessories are both fun and educational, promoting various skills and life lessons that are valuable for child's development. Along with artworks, children are loving to explore and engage in our newly added games/ activities e.g., mini table pool, monopoly, line up 4, mini supershop, pop n hop etc.

What's Next?

- Halloween Week
- Melbourne Cup Week

We are open
On

Pupil Free Day, 6th November, 2023
