All of our Child Safe policies and all other school policies are available on our website: <https://www.reservoirviewsps.vic.edu.au/policies>

Dear Reservoir Views students, families and local community members,

I hope the two-week term break was enjoyable for all of our staff, students and families. It has been a smooth but very cold start to term 3 at Reservoir Views, winter is well and truly here! At our school assembly last week I introduced two new staff members to our students and any families who were in attendance, Stephanie Hall and Ambrie Tracy.

Stephanie will be taking over the mathematics intervention role for the remainder of the year and Ambrie will be teaching art while Nicky is on long service leave this term. A very warm welcome to Stephanie and Ambrie.

I'd also like to thank Fiona Casson for teaching 12D for the first two weeks of this term while Maddy has been on leave.

POTATO OLYMPICS

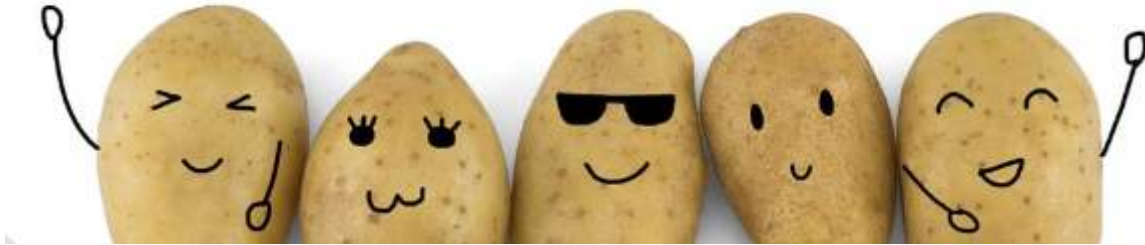

Who would believe that students could build a personal relationship with a potato?

Well, over the next two weeks the students at Reservoir Views will be. We are embracing the Olympics beginning in Paris and running our very mathematical Olympics, with spuds!

Students develop their potato into a potato athlete character and prepare it for entry into specially designed potato Olympic events.

Potatoes are measured in various ways and the events also produce measurements. All this measurement produces data which needs to be displayed, analysed and reported.

I will be picking up our 'athletes' tomorrow.

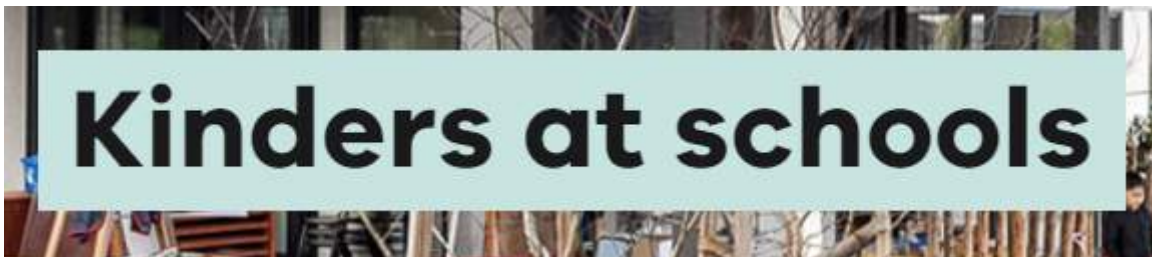

MINI MARKET - FUNDRAISING FUN!

A big congratulations to our students within years 4 to 6 for organising such a fun fundraising event for our 2024 Year 6 Graduates. Tuesday's Mini Market was loads of fun.

KINDER ON SCHOOL SITES PROGRAM

As I announced through Compass earlier this week, a kindergarten will be built on our school site. This is due to be completed by the first day of term 1, 2026. Over the next 6 months I will be involved in meetings with the Victorian School Building Authority that will help make decisions about the location of the kindergarten and the interface it will have with our school. I will keep our community updated along this journey. The kinder on school sites program is a part of the Victorian Government's *Best St, Best Life* reforms.

TERM 3 SWIMMING

Our 7 week swimming program has commenced and today students completed their second session today.

The remaining sessions will take place on the following dates:

1st August	15th August	22nd August	29th August	5th September
------------	-------------	-------------	-------------	---------------

BOOK WEEK

19th - 23rd August is book week - Reading is magic!

Our annual book parade will be at 9am on Wednesday 21st of August, everyone is welcome.

Let's recycle some of our unwanted costumes: If you have any costumes still in good condition that you no longer want or need, place into a bag with the type of costume and approximate size and drop it off at the office. For those who would like a costume, we will have these available for the children to choose from during school.

If you would like us to ensure your child gets to the costume stall, please let the office know.

Monday 22nd July - Tuesday 30th July: Drop off your clean unwanted costumes for donating

Thursday 8th July: Donated costume stall 2pm - 2.30pm

If you are able to support during our costume stall, please let the office know, you will need a valid Working with Childrens Check.

Smile Squad will be coming out to our school next week. This is a free dental service for all children in our school. They also offer a mouth guard if the children play a contact sport (don't forget to tick this box).

Please use the [QR code or link](https://dentalhealthservicesvictoria.snapforms.com.au/form/sdp-consent-form) to complete the forms for Smile Squad to see your child.

FREE FRESH FOOD

Darebin City Council are again running a free fresh food event on Saturday the 3rd of August from 10am to 12pm.

Child safety and wellbeing at Reservoir Views Primary School: information for families and the school community

Reservoir Views Primary School is committed to providing an environment where students are safe and feel safe.

Our child safety framework <https://www.reservoirviewsps.vic.edu.au/policies> explains how we support and maintain child safety and wellbeing at Reservoir Views Primary School. It includes our:

- Child Safety and Wellbeing Policy
- Child Safety Reporting and Responding Obligations Procedures, and
- Child Safety Code of Conduct, which outlines acceptable and unacceptable behaviours for all staff and volunteers at our school.

Our students and families are important partners in providing a child safe environment. These regular newsletter reminders are one of the ways we ensure our school community is aware of:

- our commitment to child safety, and
- how to provide feedback or raise child safety concerns.

If you have any concerns about child safety at any time, please contact Steve Stafford or Hayriye Ali on 9460-6995. Any child safety complaints or concerns are treated seriously. For more information about our school's complaints process, see our Complaints Policy <https://www.reservoirviewsps.vic.edu.au/policies>.

We also welcome your ideas on ways we can improve our approach to child safety and wellbeing. If you have any suggestions or comments please contact Steve Stafford or Hayriye Ali on 9460-6995

VALUE AWARD WINNERS

PLAYGROUP

Playgroup is back up and running for 2024.

Thank you to Cassie, one of our school parents. Cassie will be running the playgroup every Thursday from 9am - 11pm throughout the school year, during the teaching terms.

Playgroup is free and we welcome our community to bring along their preschool aged child/ children for some fun.

Playgroup runs in the new portable.

2025 FOUNDATION TRANSITION PROGRAM

We have finalised our dates for the 2025 Foundation Transition program.

Parent/Guardian Information Evening: Tuesday the 3rd September at 6pm.

We will be running an onsite parent/guardian information evening here at school at 6pm on Tuesday the 3rd September for all of our 2025 Foundation families. During this evening session we will discuss our orientation program in more detail and be able to answer any questions families may have.

2025 FOUNDATION ENROLMENT

2025 Foundation enrolment forms are due tomorrow, Friday the 26th of July. After this date we will finalise enrolments of locally zoned students before exploring applications of out of zone students.

2024 Parent / Caregiver / Guardian Opinion Survey:

WE WANT OUR PARENTS / CAREGIVERS / GUARDIANS TO TELL US WHAT THEY THINK!

Our school is conducting the annual Parent / Caregiver / Guardian Opinion Survey offered by the Department of Education and is seeking your feedback. The survey is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behavior, and student engagement. The survey is optional, but we encourage and appreciate your participation. Our school will use the survey results to assist in identifying areas for improvement and professional development needs in the school, to target school planning and improvement strategies.

The Parent / Caregiver / Guardian Opinion Survey will be open online from **Monday 29 July to Friday 30 August 2024**.

The survey will be conducted **online**, only takes **20 minutes** to complete, and can be accessed at any convenient time on desktop computers, laptops, tablets or smartphones.

The online survey will be available in English and 10 other languages including Arabic, Greek, Hakha Chin, Hindi, Japanese, Punjabi, Simplified Chinese, Somali, Turkish, and Vietnamese. Resources are also available in additional languages to assist parents / caregivers / guardians who speak a language other than English at home. Please reach out to your child's teacher, or the school directly for survey guides in your language.

A Compass post with a link to the survey will be sent out on Monday the 29th of July.

Kind regards,

Steve Stafford
Principal

The 4/5/6 team would like to say a huge thank you to the Allen Family we are very grateful for your generous donation of the Sponge Splash Board. Your kindness and support have brought immense joy and excitement to our community. Was a huge success on the Mini Market Day! Thank you!

Another big thank you to Angela Lin, Allairha Isican and Tashi Lhamo for designing and painting our fabulous Spongebob and Patrick! You did an amazing job, a great memory for years to come.

-The 4/5/6 Team

F/1 NEWS

Literacy

Exciting News! Foundation/1 students are now taking home some books to read. Students will have 2 books to read over the week. The books will be put into reading satchels on Mondays and returned on Fridays.

Inquiry

Our current inquiry focus is Geography. We are learning about Australia and the world. We are looking at how Aboriginal and Torres Strait Islander Peoples maintain special connection to country. Thank you Kai for bringing in your possum skin to share with your F/1 friends.

Visible Wellbeing

We are learning about our personal strengths that help us. This week we have learnt about forgiveness. We have talked about how the strength of forgiveness helps us to make connections with our peers.

1/2 NEWS

MINI MARKET FUN!

IN THE CLASSROOM

We have had a fantastic start to Term 3 in grade 1/2! It has been wonderful seeing everyone's smiling faces back in the classroom and hearing about their holidays.

We have started a new Inquiry topic and have been learning about Aboriginal history and caring for Country. We have investigated the Birrarung river and the animals and people that depend on it. We have also started to explore narrative writing and have been learning about the purpose and features of narratives. Throughout the term we will plan, draft, edit and publish our own 'Rags to Riches' tale!

We have had a great start to our swimming program. The children have loved learning about water safety and practising their skills in the pool. A huge thank you to all the parents, ES and teachers who have helped the days run so smoothly.

REMINDERS

- Swimming is on Thursdays. Please ensure your child brings a small, labelled bag with the following items: 2x plastic bags, towel, underwear, socks, goggles (optional) and bathers (to be worn underneath your child's school uniform). Please also pack a few extra snacks if possible.
- Homework goes out on Monday and is due on Friday.
- If you have any questions or concerns please contact your child's teacher.

2/3/4 NEWS

Cohort meetings

It was so nice to see the 2/3/4 students return from the school holidays happy and ready to learn. Every second Monday, straight after assembly, we attend a cohort meeting. This gives students across the 2/3/4 cohort an opportunity to share ideas and discuss issues that affect our classes. This week we talked about being a good classmate. We brainstormed what it looks like, feels like and sounds like.

Mini Market

We all thoroughly enjoyed the Mini Market stalls hosted by the 4/5/6 cohort. The students' sponge-throwing skills have certainly improved and there were a few soggy teachers that can attest to that. Students were able to test their agility and co-ordination at some stalls. We enjoyed some great vocal performances, lovely henna designs, painted faces and the carnival atmosphere in the yard.

Looking forward to

- The Olympics, The Paralympics and The RVPS Potato Olympics!
- Learning more about Mountains and Rivers this term.

4/5/6 MINI MARKET

The 4/5/6's ran their Mini Market on Tuesday and it was an incredible success, showcasing the enthusiasm and creativity of our students. The students created fun-filled services and games such as Sponge Splash, face painting, soccer challenges, and bowling and so many more! The Piazza was bustling with excitement, teachers and students from all year levels came together to support this initiative, contributing to a vibrant atmosphere. We are so incredibly proud of the 4/5/6 students and their entrepreneurial skills, they ran their stalls with enthusiasm and were very professional in their roles. Huge congratulations to all the students that participated!

The funds raised will be used to support the Year 6 graduation and end-of-year celebrations. Thank you to everyone who participated and helped make this event a memorable highlight of the school year!

Kinders at Schools

Frequently asked questions

The Victorian School Building Authority (VSBA) is building kindergartens at new and some existing primary schools across Victoria.

Building kinders at schools may make drop-off easier for families and support kids as they transition to school.

January 2024

The Victorian Government is reforming early learning, making it bigger, better and fairer. With new partnerships and record investment, all Victorian children can get 2 years of free kinder.

Over the next decade, Four-Year-Old Kindergarten will become Pre-Prep – doubling children’s play-based learning to 30 hours a week. At the same time, the roll-out of Three-Year Old Kindergarten will continue. By 2029, free kindergarten hours for 3-year-olds will increase from 5 to 15 hours a week. We’re making sure there are enough kinders to make this possible.

We’re building kindergartens at some existing schools and ensuring there’s a kinder at, or next to, every new primary school we build.

Building kindergartens at schools provides many benefits for Victorian families, including making:

- kindergarten programs easier to access
- drop-off time simpler and more convenient for some families
- the transition from kindergarten to school smoother for children.

The needs of each area are different. So, we work closely with local government to plan new kindergartens. This ensures the best educational outcomes for children and broader benefits for their families.

How do you decide which schools get kindergartens?

We assess schools in areas with significant kinder demand to make sure we build them where they’re most needed.

We consider the school’s future needs too. Are they under enrolment pressure and might need to expand? Will they have sufficient open space? We also assess street access and parking.

How are the kindergartens designed and built?

We work closely with the school and local council throughout planning, design, and construction. This ensures what we build meets the ongoing needs of the school and the kindergarten.

We confirm the exact timing of site works and construction to minimise the impact on the school.

We often use modular construction for kindergartens at schools. Modular buildings are built offsite and craned in so there is less disruption for the school. It also greatly reduces construction time and safety risks.

Who will operate the kindergartens?

Local governments play a key role in early childhood education, especially building and managing kindergartens. So, we offer them the first option to operate new ~~kinders~~.

Councils are also more likely able to support ongoing operations of early childhood services, including maintenance, cleaning, enrolments, staffing and other administration.

They commonly lease kindergartens to third-party kinder providers.

What if the local council doesn't want to run the kindergarten?

If the council decides not to be involved, we find an organisation experienced at running ~~kinders~~.

This process is open to all not-for-profit organisations, including the school. We assess all submissions on their merit.

Who can attend the kindergarten, and do they have to enrol in the co-located school?

Any child from the local community can apply to enrol.

Services offering funded kindergarten places are required to give priority access to children identified in the Department's Priority of Access Policy. After offering places to children on the priority list, services may choose to allocate priority to children on whatever basis they choose as stated in their policy. This could be those with a link to the service, proximity to the service or other criteria.

Children who attend the kindergarten do not have to attend prep at the co-located school. Similarly, children who attend the kindergarten are not guaranteed a prep place at the co-located school.

Parents who want their children to transition to the co-located school must formally enrol through the normal departmental processes. Government schools must adhere to the Department's Enrolment Placement Policy.

Who is responsible for the kindergarten's operations and costs?

The kinder operator is responsible for all ongoing operational, staffing, and administration costs. These obligations are outlined in their lease with the Department.

How will parking and traffic be managed?

We balance site capacity, school needs and onsite car parking as part of the overall kindergarten planning and design.

Where possible and practical, we provide some onsite car parking for the kindergarten.

The local council is responsible for managing traffic outside school boundaries. Our planning discussions with the council include finding the best local traffic and car parking outcomes for the kinder, school and local community.

Where can I get more information?

Every kindergarten construction project has a dedicated page on our website. You can search for it at www.schoolbuildings.vic.gov.au.

You can also contact the Victorian School Building Authority by phone **1800 896 950**, or via email vsba@education.vic.gov.au.
