Dear Reservoir Views students, families and local community members,

A big warm welcome to Term 3, I hope you all had a lovely break and were able to catch the small bursts of sunshine we had.

The children have had a very smooth start to the term and are straight into working hard on their goals from their education plans.

'I'm learning to remember my full stops', 'My goal is to keep my writing on the line', 'My goal is tricky, I have to check my writing for capital letters'. These were just some of the conversations I had with our students, they were all trying their best and working towards their individual goals.

WORKING BEE

We will be having our annual working bee this term. We would love as many helpers as we can to help tidy up our Sensory Garden, it is in much need of some weeding and edging.

Monday 7th August 3.30pm - 5pm

Saturday 12th August 10am - 12pm

Please bring along your gardening gloves and gear, no machinery. 😊

All adults will need a Working With Children's check, please see the office if we don't have a copy of it.

CANTEEN NEWS

It has come to our attention that students are using \$20 and \$50 notes for counter sales at the canteen. This is a large amount of money for students to be responsible for. Would you please ensure your child/ren only brings small denominations of no more than \$10.

2024 FOUNDATION INFORMATION SESSION AND ORIENTATION DATES.

Art

This week we celebrated NAIDOC Week.

AUSLAN

Welcome to Term 3! Hope everyone had a lovely holiday. This term in Auslan we will be learning lots of new signs such as Fruit, Zoo Animals and more Question words. We will also keep reviewing the Auslan Alphabet and the signs for Colours, Numbers and other common signs.

Watermelon

Tiger

Last week we were so lucky to have Maddy from Auslan Education Services come to our school and speak (sign) to us all about what it's like for her to be deaf in our community. She signed to us about what it was like for her at school growing up and what she does for a job.

Students had the opportunity to ask her questions with the help of her interpreter and we learned so much!

Students were able to sign lots of things to her such as their name and their favourite animal and colour - she was very impressed and excited to see how much we have been learning. Well done everyone!

Music

In F-2, we are continuing building our understanding of music theory and honing our technical skills.

In 3-6, we are learning the keyboard and ukulele!

Welcome to this term's **F-2 Choir!** We have been learning some beautiful songs and training up our singing voices.

We will perform at assembly on **Monday 28 August (week 8)**

Foundation News

Our week!

Term 3 has started and the Foundation students have settled in beautifully! We have continued to work hard learning our letter sounds, writing and counting!

Literacy

This week we have been able to identify the different features of Fiction and Non-Fiction texts. We found the Contents Page, Glossary, and real facts and information in books in our classroom.

Auslan incursion

We were very lucky to have Maddy come and visit our school. Maddy is deaf and was able to talk to the Foundation students about what life as a hearing impaired person is like. We could ask her questions and practice communicating with her using the signs we have learnt.

Numeracy

In Numeracy, Foundation students have been counting and comparing collections and learning fun new card games!

NAIDOC Week

Last week, we celebrated and acknowledged NAIDOC Week. We talked about the Uluru Statement - its significance, history and its importance in shaping a more inclusive and fair Australia.

Spelling

In addition to our daily phonics lessons, we have also started spelling lessons to help us remember and use different spelling rules when writing words. For example, 'ai' is in the middle of words (rain) and 'ay' is used at the end (stay) most of the time.

Reading & Maths

We are continuing to read daily at school during fluency pairs. Reading a text multiple times increases our fluency. We encourage students to reread texts more than once at home as well. We have also started Maths groups across the 1/2 cohort to support students' learning goals and needs. Students will be working in groups daily to support the development of vital number skills.

Reminders

Homework is sent home on Monday and is due back on Friday. We also are looking forward to our Minibeast Incursion this Friday!

2/3/4 AREA NEWSLETTER

RESERVOIR HIGH SCHOOL BASKETBALL AND SOCCER

On the 20th of July 6 students from the 2/3/4 area will be going to RHS to compete in a round robin style basketball event.

On the 11th of August 6 students will be going to an indoor soccer competition.

We wish the students competing the very best of luck!

CERES

The 2/3/4's have begun learning about ecology. To enhance their understanding and learning we are going to CERES - School of nature and climate on the 7th of August. The 2/3/4's will be participating in their Restoring Earths Ecosystems excursion focussing on developing their understanding of living and non-living things and the positive and not-so-positive impacts of human interactions on an ecosystem through hands-on activities. Keep an eye out for the note on compass!

SCHOOL VALUE - CURIOSITY

This term we are focussing on a new school value which is curiosity. As the value leaders we have planned a range of activities for the next few weeks for students across the school to explore the concept of curiosity further. Curiosity means to learn and discover new things. It will be curious and unexpected! The biggest quest to learn anything is curiosity. Being curious in school helps us deepen our thoughts and challenge ourselves academically. Being curious is an important thing, never stopping questions. We hope you have a puzzled term.

NETBALL CLINIC

Last Friday, we had our first Netball Victoria session and it was a blast. We had so much fun practicing our passes, using the correct technique to shoot and we also played number netball. It was really great to learn a new sport and we are all really looking forward to being involved over the next few weeks.

DIARY ORGANISATION

As part of being in 5/6 we learn a lot about organisation skills that will help prepare us for secondary school. One aspect is bringing in our diaries each day. Every morning we check who has brought in their diary not only to create a habit but also to allow us to organise term dates. This term, we used our diaries to record important dates throughout the term. It is very important for us to remember to bring our diaries in each day and to record our reading. We are getting much better with that process but still need reminding. Reading every night is very important to us so make sure you're doing it every night.

AUSLAN INCURSION

On our first week back we had an Auslan incursion when Maddy, a deaf person, had kindly come to our school to let us ask any questions that we have about Auslan or what it's like being deaf.

There were many questions that we asked like, how do you communicate to your hearing friends?

Is your family deaf? As well as many other questions! It was a really interesting experience for all of us! We all had learnt a few interesting things that day. The Auslan leaders and Mrs Sarah Anderson, our Auslan teacher, were very glad that we had this opportunity.

20th July 2023
20... 101A 2023

A Glimpse of Week 1 & 2
Term-3, 2023

Welcome to Term 3! Children were super excited and glad to be back in their regular school routine. In group time, children were encouraged to share their Holiday experiences. Together with children we participated in variety of arts and crafts, puzzle solving, coloring and drawing, building and constructions, outdoor play etc. which were immensely enjoyed by the children.

This week we have been engaging ourselves in wide variety of arts and crafts activities focusing on our weekly theme "Over the Rainbow!". Rainbow crafts and activities help to stimulate Childrens' imaginations, boost their creativity, and develop fine motor skills, improve cognitive skills etc. Overall children have had immense pleasure and fun by engaging in colorful creations throughout the week.

What's Next?

- Australian Winter Arts
- Sustainability

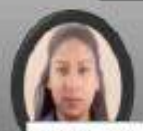

Snacks served this week:

- Mac & Cheese, Rice Crackers with cheese and salad, corn chips, Tomato Pasta, Veggie Rice.

- Fresh fruits served with every meal
