Dear Reservoir Views students, families and local community members,

This week our grade 5 students were presented with the final finished design of the play equipment for the play space upgrade at DR Atkinson Reserve. The designs were based on the artwork of our students at Reservoir Views! They were also presented with a thank you gift from the City of Darebin. Please have a look at the link below to see the final designs. The City of Darebin are hopeful this project will be completed at some stage in 2021.

The program is run by fully qualified and highly experienced teachers, operating in small classes in Reservoir. Enrolments are open for week 1, 2 and 3 of the program, running from Monday-Friday of each week. Classes run for half an hour and are only \$30 per child, per week. Spots are filling fast across the state! Secure your child's spot now and head to www.vicswim.com.au for more information and enrolments.

Life Saving Victoria has recorded the states worst drowning toll in two decades. Between the 2018-2019 financial year, 56 people drowned in Victorian waterways and paramedics were called to 101 near-drownings.
