Writer's Notebook

This week teachers have been learning more about 'The Writer's Notebook'. Teachers and students use the notebook to put all of their ideas, thoughts, interests and characters for their writing in. These ideas are called 'Seeds'. We ask that students bring in their Seeds from home. Seeds can be photos, ticket stubs, fabric, string, a small special item from a memory etc. If things are too special to be brought to school, a photo can be taken. Remember these items

could be as small as a shell found at the beach, a leaf from a beautiful tree they played under, a picture cut out from a magazine or confetti from a party.

These items are then expanded upon ensuring students have the vocabulary and ideas to be able to create writing pieces as authors and illustrators.

Reservoir Views Students are all authors in their own special way, they will grow and develop just like the Seeds they put into their Writer's Notebook.

HARMONY DAY 21 MARCH

www.harmony.gov.au

Thursday 21st March 2019

The theme of this year's Harmony Day is **Everyone Belongs**, and here at Reservoir Views, we are going to celebrate with learning activities from some of the different cultures that make up our school community. Students will work in mixed age groups to cook, make and sing. We will have a cultural dress parade, lunchtime activities and a Harmony Day Feast.

Students – come along to school wearing clothes from your family's culture or you can wear orange.

Families – join us for a Harmony Day Feast at 3pm. Please bring a plate with a cultural snack (with ingredients labelled) to share.
