Dear Reservoir Views students, families and local community members,

I'd like to thank all of the families who were able to take part in either our school review parent forum or online parent survey. The feedback we received will go towards improving Reservoir Views Primary School.

SENSORY PLAY SPACE WORK TO BEGIN NEXT WEEK!

It has been a very long time since Reservoir Views Primary School first received the news that our Inclusive Schools application was successful. After lots of time, meetings with architects, a tender process, meetings with the landscapers and builders; work on our Sensory Play Space will begin on Monday the 11th of November. Work will continue into early 2020 and it will be complete before school returns in 2020.

FUNDRAISING MEETING

We are deep into our Christmas hamper fundraising drive. We will be holding a fundraising meeting in the staffroom at 3:45pm this coming Tuesday the 12th of November. Everyone is welcome to attend.

FUNDRAISING NAME PAVERS

Our fundraising name paver drive finished last week and we are currently in the process of ordering the 32 name pavers for past and present students, families and staff who made an order. We even had a past student who attended Keon Park Primary School in the 1960s and is currently living in the United States make an order. We are hoping to have these paved along our front entrance path by the end of February 2020. Thank you to everyone who supported this drive.

2020 ENROLMENTS AT RESERVOIR VIEWS

Over the next three weeks we will be formalising our 2020 structures at RVPS. If you know that your child/children will not be attending our school in 2020, can you please notify the office ASAP. Thanks.

Warm regards,

Steve Stafford
Principal

PLASTIC BOTTLE TOPS

We have been asked to assist in the collection of all plastic bottle tops which will be used to make artificial limbs. If you would like to help please bring the bottle tops to the office.

Thank you

Grub club

Dear Everyone at Reservoir Views,

On behalf of everyone in **Grub Club**, we have noticed that **composting** has stopped working.

The things going wrong include:

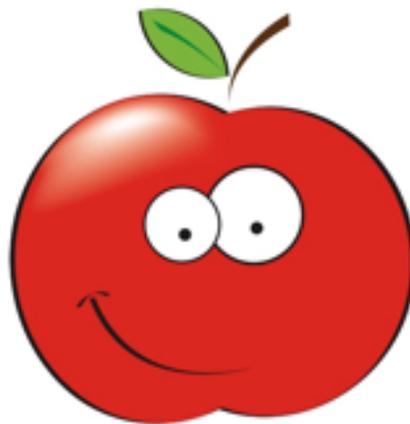

- Food not being chopped up at all
- Straw or paper not covering up the **COMPOST**
- Plastic bags and food stickers are found in in the **COMPOST** bins
- It stinks like crazy
- Fruit flies are found in the **COMPOST** bins because the food is not covered

Things we can do include:

- Chopping up the **COMPOST** before it's put in the bins
- **ALWAYS COVER THE COMPOST!!!**
- Don't put rubbish in the compost bins. ***Seriously.***

Thank you for listening or reading. **YOU CAN MAKE A CHANGE!**

Tekia on behalf of **Grub Club**.

CHRISTMAS RAFFLE

Dear Parents,

Our final fundraiser for the year is the Christmas Hamper Raffle. We are in need of donations for our Christmas Hampers.

We are asking families to donate items for some of these hampers.

Suitable items to be donated could be based on the following themes:

Kitchen/Pantry theme

Pamper yourself theme (eg soaps, toiletries etc)

Christmas theme (eg decorations, Christmas table items)

Coffee, Tea and Biscuit theme

Chocolate, confectionary and lolly theme

Gardening theme

Arts and craft theme (eg drawing items, paper craft activities)

Games/Toys theme

Please send along any donations for the raffle to school with your child. We aim to create some wonderful hampers by the middle of November and tickets are on sale NOW and the raffle will be drawn in the last week of school.

Thanks for your continued support.

Regards,

The Community sub-committee
