### **Canteen News**

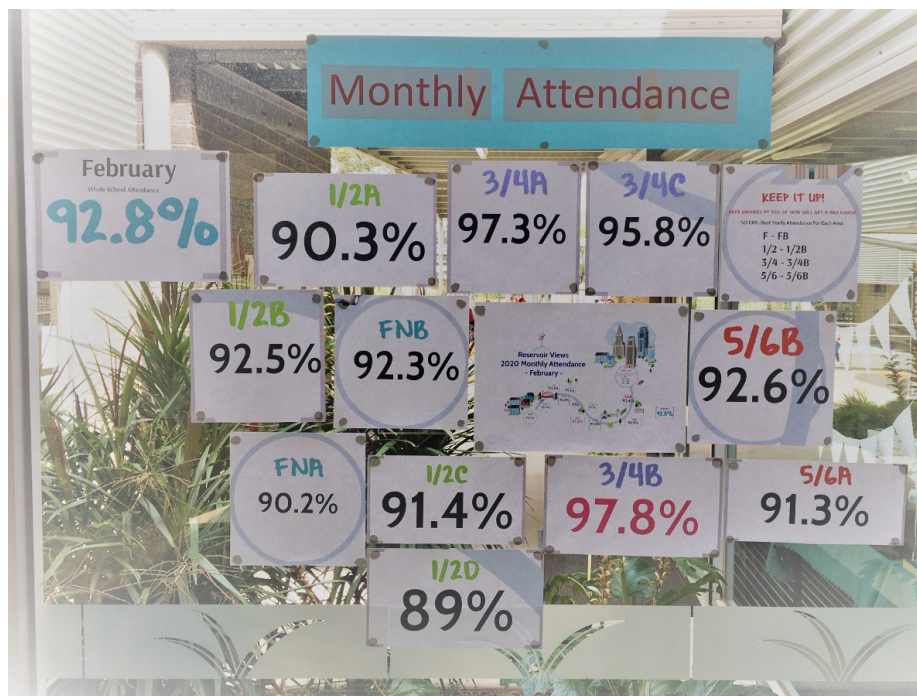

Unfortunately beef lasagne will not be available at the canteen until further notice.

Thanks , Lesley

Dear Reservoir Views students, families and local community members,

I have been eagerly waiting to 'crunch' some attendance data for the month of February. We will be focusing on improving individual, class, cohort and whole school attendance data throughout the next 4 years—school is better when everyone is here!

Our monthly target is for all classes to achieve at least 95% attendance rates.

*I will be updating the attendance display each month and presenting the data at assemblies.*

**Did you know:** Missing one day a fortnight is the same as missing 4 whole weeks of school a year. From Foundation to Year 12 that adds up to 1.5 years of school!

### WHOLE SCHOOL HOUSE ATHLETICS DAY— TOMORROW!

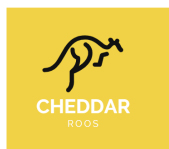

A reminder that tomorrow is our 2nd annual House Athletics day here at Reservoir Views.

Parents are invited to attend to watch their athletes in action. The day begins at 9:50am on the basketball court. At 2:50pm there will be House and Staff races followed by presentations.

We will be 'firing' up the BBQ and selling sausages and Icy poles at 11am. If you'd like to help with the BBQ, please let the office know. Sausages \$2.50, Icy poles \$1.

We hope to see you all there!

Students are encouraged to dress up in their house colours on the day. Our houses are Hickford Crocodiles (Green), Cheddar Roos (Yellow), Darebin Dolphins (Blue) and St Vigeons Vipers (Red).

## COMPASS

A reminder to all families that starting next term, all of our communication for families (newsletters, event information, excursion notices/permission and general updates) will be sent through our communication platform Compass. We will be touching base with all families who have not yet signed in with Compass. To make sure you don't miss out on any school news, make sure you 'allow notifications' through the app on your phone settings.

## RIDE TO SCHOOL DAY

On Friday the 13<sup>th</sup> of March, Reservoir Views Primary School will be joining 350,000 students across Australia who will ride, scoot and skate to school for National Ride2School Day.

To celebrate the day and encourage students to ride, skate and scoot to school we will be **giving away a scooter!!!**

To be in the running you must ride, skate or scoot to school on Friday the 13<sup>th</sup> and see Mr Drew at our new and fantastic bike shed. The winner will be announced at lunch eating time! See you all with your bikes, scooters, skateboards and roller blades next Friday!

\*Don't forget to wear your helmets\*

## SCHOOL STRATEGIC PLAN (SSP) 2020-2023

Last year our school undertook a rigorous school review of our 2016-2019 School Strategic Plan. Based on the outcomes of this review (which included feedback from students, families, staff and detailed data analysis) the following key directions were recommended for our 2020-2023 School Strategic Plan:

- To improve learning growth for all students through a more deliberate identification of each student's next step in learning. This included a focus on curriculum planning informed by data and further development of teacher accuracy of judgments, provision of EAL and enhanced curriculum understanding, and delivery.
- To improve student engagement in learning through empowering students as learners and leaders.
- To improve the resilience, health and wellbeing of all students.

I have included the link to our new SSP on our website below.

<https://www.reservoirviewsps.vic.edu.au/strategic-plan-and-school-documenta>

We are currently finalising our 2020 Annual Implementation Plan. The targets we set and actions we plan to meet these targets within this document are directly related to our SSP.
